

Did you know that Shaldon Wildlife Trust is a charity?

In the past Gift Aid has helped towards building our new extension and with your support we can continue making improvements such as these to the Trust. The Government has now changed the law on Gift Aid and we can only claim Gift Aid if you

make a donation that is 10% more than the entry fee. Our prices, therefore, include a voluntary 10% donation. If you are a UK taxpayer this means the government will give us an extra 28% on top of your donation. This makes a massive difference to charities such as Shaldon Wildlife Trust and we thank you for your support.

See how your donation helps make a difference:

By being a Gift Aid visitor	Admission (including donation)	Voluntary donation	Normal Admission (excluding donation)	Claim Back 28% from Government	Total to Shaldon Wildlife Trust
